CUDDESDON

An invitation to join The Cuddesdon 500

We are looking for 500 alumni, students, staff
and friends to donate just £5 a month to
continue to provide current and future students
with excellence in theological formation and
education across all our pathways.

We are proud of the diversity of our students, the range of our courses, the depth of our teaching and formation, and the support we provide to every individual student. Funding from the Church and the dioceses is not adequate to finance all the work we do but we are committed to providing the very best we can. Hence our need for your support.

For students and alumni, we hope that you have rich memories of your time with us and feel that it has contributed to the ministry you have offered since.

Over the years Cuddesdon has expanded from the two residential colleges that are its roots to include a full-time context-based course, and non-residential training at Cuddesdon, Gloucester, Hereford and Portsmouth, including the training of Ordained Pioneer Ministers through our partnership with the Church Mission Society. We also offer Foundation level courses for those exploring vocation or who simply want to learn more about theology.

In recent years we have commissioned and built a new Chapel and have welcomed Sisters from the Community of St John Baptist who have come to live amongst us and inspire us with their presence. The Cuddesdon Study Centre is an important resource for the Church regionally and nationally through its research projects and visiting theologians from throughout the Anglican Communion.

50% of your donation will go directly to student support in areas that are not funded through fees and maintenance grants

50% of your donation will go directly to improve facilities

If you join, you will be asked if you would like to provide a photograph of yourself in the church where you work or worship that can be used to compile a picture of all the people and all the places that Cuddesdon has reached in different ways. When we have our 500 members, the picture will be published and a poster image sent to each member.

With 500 people donating just £5 a month, we can continue to teach, thrive, be creative, nurture and send out students fully prepared for the challenges and opportunities of ministry and discipleship. Will you join?
